

# US<sup>A</sup>ble Life

**ONLINE. EFFICIENT. ACCURATE.**

US<sup>A</sup>ble Life eBilling is a comprehensive Invoice Presentation and Payment system. This user-friendly software helps remove the inefficiencies and high costs of paper-based billing while offering improved accuracy, reliability and better access to billing information. Real-time information is delivered and received with automatic e-mail notifications and scheduled payments.

## RELIABLE BILL PRESENTMENT

View current and past due invoices via the Internet 24 hours a day, 7 days a week. New invoice notifications are sent via e-mail. Users simply log into US<sup>A</sup>ble Life eBilling to view, print, export or create detailed reports.

## FLEXIBLE BILL PAYMENT

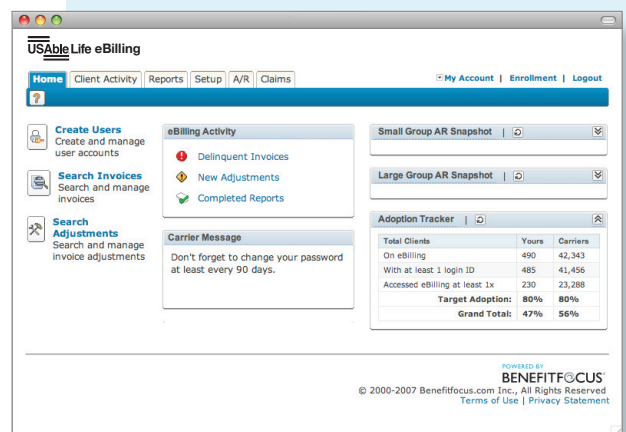

Payments are made using a bank draft from a personal or business account. Users can even establish a recurring bank draft from one of their accounts. US<sup>A</sup>ble Life eBilling provides a safe and secure online payment experience. Look forward to reducing lost checks and invoices while decreasing postage and check production costs.

## CONVENIENT E-MAIL NOTIFICATIONS

Users can save their preferences for when they would like to receive emails alerting them to new invoices, payments received, etc.

## USER FRIENDLY INTERFACE

Request and receive immediate invoice corrections. US<sup>A</sup>ble Life eBilling reconciliation component offers invoice approval and workflow management capabilities designed to make life easier. Simply make changes and updates with the new information and it is automatically saved after each entry.
