# Benefitplace App
Flyer Template Instructions

How to use this document:

- **Click here** to download the customizable template here, which you can use as-is or modify with your own information. Change the wording and/or images to fit your company.

- There is a placeholder for your logo. To update with your logo, right click and select change picture. Select your logo file. The logo should auto-fit to the size of the placeholder.

- Save the file once your edits are final.

- Before printing your file, delete non-printing pages.

- This template is intended to be used as an 8.5 x 11 inch flyer

Example
