

Simplify quoting and boost business

Empower brokers to accelerate group sales, boost product strategy, simplify group onboarding and process renewals faster.

A one-stop shop for your brokers

-  **Automate**
Give brokers the flexibility to instantly rate and quote multiple product types with minimal demographics, leveraging a single product repository and advanced rating capabilities.
-  **Engage**
Make it easy for brokers to stay on top of sales and renewal activities with AI-driven reminders and intuitive data dashboards.
-  **Empower**
Accommodate a variety of funding options, employer contributions and tier structures.

200,000+
brokers on Benefitplace platform
